DEPARTMENT OF FISHERIES.

1

From
Sri.K.N.Anantaraman, I.C.S.,
Director of Fisheries,
Madras 14.

To
The Secretary to Government,
Development Department,
Madras 9.

No. 8207-C3/52 Dated 14.5.52.

Sir,

Sub: Education - Fisheries School Manoor - Pucca building and Urinal - construction of -
Ref: 1) G.O.Ms.No. 5459 Devl. dated 4.11.'48
2) G.O.Ms.No. 4821 Devl. dated 27.9.'49.

In the G.Os. cited above, Government have permitted the owner of the building in which the Fisheries School at Manoor in South Kanara District is located to construct a pucca urinal and a pucca building with 100 school places on the assurance of being paid the rent fixed by the Public Works Department on the completion of the work.

2. The Asst.Director Mangalore reports that the owner of the building on receipt of orders permitting him to construct the urinal and the building prolonged the construction on some or other grounds and he has not even commenced the work. The Asst.Director further states that finally the building owner has expressed his inability to undertake the work due to financial difficulties. He has also agreed in writing for the shifting of the school from the present building to any other suitable buildings.

3. Since the present building is in a dilapidated condition, the Asst.Director Mangalore is of opinion that a separate suitable building is essential for housing the school which is a permanent institution with 92 pupils and 3 teachers as the staff at present. The strength is also likely to be increased during the next academic year to 100 or 125. In addition to the accommodation for the above mentioned strength, the coir handicrafts sanctioned in G.O. Ms.No. 5190 Development dated 21.12.'50 is yet to be introduced in the school which will require about 40 school places. Therefore the school is in need of a pucca building with 140 school places, one pucca urinal with separate compartments for boys and girls and a well.

4. Sri.M.Krishnappa, the Secretary of the local Fishermen Cooperative Society has agreed in writing to construct the proposed building, urinal and well on the assurance of being paid the rent fixed by the Public Works Department on completion of the work. He has his own site at his disposal for the construction of the proposed buildings situated in the heart of the fishing village at a distance of 2 furlongs north from the present school buildings. His financial position is reported to be sound.

5. In the circumstances explained above, I request that the sanction for the construction of the building and urinal accorded in the G.Os. cited above may be cancelled and Sri. Krishnappa, the Secretary of the Manoor Fishermen Co-operative Society may be permitted to construct a pucca building with 140 school places one pucca urinal with two compartments for

P.T.O.

2

Boys and girls and well on the assurance of being paid the rent fixed by the Public Works Department. The rent now being paid to the present school buildings is Rs. 12/- per mensem.
